

## **February 25, 2012 • 8:00am – 12:00pm Rt. 20 Fire Station, Clyde, Ohio**

Leadership Sandusky County will be assisting Goodwill Industries with a winter donation drive. The sales of your donations help fund job training programs, employment placement services and other community-based programs for people who have disabilities, lack education or job experience, or face employment challenges.

Your donation of used goods can make a difference for people in your community, and help make a healthier planet as well.

### **Goodwill accepts the following items for resale or recycling**

- Computers
- Clothing
- Appliances
- Electronics
- Furniture
- Shoes
- Books
- Toys

Last year, more than 74 million people donated to Goodwill. Goodwill accepts your new or gently used items and sells them in your local Goodwill store.

If you are unable to attend the donation, some pickup services are available.
