3rd Annual

Reverse Raffle & Silent Auction

The third annual Goodwill Reverse Raffle is history now, and by all accounts it was considered a great time.

Held March 18, this year's event took place at a new venue – Caesars Crystal Palace in Sandusky.

The raffle again featured a top prize of \$10,000 and \$5,000 in additional cash prizes. Like the first two raffles, it also included a silent auction as well as 50/50 and meat-tray ticket drawings.

The top cash prize (awarded at ticket pull 300) and the prizes for ticket pulls 298 (worth \$750) and 299 (worth \$1,250) were combined and split among the last three ticket holders.

The three ticket holders had indicated their willingness to “combine and split” and each went away with \$4,000.

A very special thank-you goes to all who participated in making the raffle and silent auction a success.
